## **Community Bank Announces \$1000 Winner**

The "Win-Win Certificate of Deposit" was introduced by Community Bank in January, 2017 as a way to encourage more people to build their personal savings. A random drawing awarded a lucky Win-Win CD customer \$100 each month through the year. The annual drawing prize for \$1,000 was awarded to Dianne Mitchell of Enterprise, Oregon.

Effective for 2018, the Win-Win CD now has a larger prize pool. The monthly drawings will be for \$200 and the annual drawing for \$2,500. The CD is structured to encourage saving through multiple incentives:

- A low minimum opening deposit of \$25 to limit financial barriers to entry;
- Like traditional CDs, the product earns interest;
- Customers have opportunities to win monthly and annual drawings. Opportunities to win \$200 monthly drawings are increased by additional \$25 minimum deposits (adds) to the CD. There is no limit to how often or how much is deposited, though the maximum amount of entries into the CD is capped at 8 or \$200 in deposited funds per month.
- To earn entries in the \$2,500 annual drawing, customers must make a minimum \$25 deposit in one month. Each month during which the minimum \$25 deposit is made, an entry is earned. There is a maximum of 12 entries each customer can earn for the annual drawing.

The Win-Win CD is limited to individuals at least 18 years of age with primary residences in the Oregon and Washington counties Community Bank operates branches. There is a limit of only one Win-Win CD per primary Tax ID Number.
