Community Bank Apple Appreciation Awards Will Recognize Local Teachers

JOSEPH, OREGON – September 5, 2019

During the month of September, Community Bank branches are collecting nominations for their new Apple Appreciation Awards. The award is meant to acknowledge amazing teachers in the local community as well as support school clubs. The winning teacher in each town where Community Bank has a branch will be presented with an apple award. The teacher will choose a club or student organization at their school to receive a \$200 donation from the bank.

Nominations must be for those actively teaching in grades K – 12 (non-retired) and employed at a public or private school. Anyone can nominate a teacher whether you are a current student, past student, co-worker or community member. Stop by your local Community Bank branch to fill out a nomination form or find the form on the Bank's Facebook page. Submitting a nomination more than once will not increase the teacher's odds of winning. Nominations will be collected through September 30th. For complete rules visit www.communitybanknet.com or your local branch.
